

MI-12006

Laptop Mount with Pole and Gas Spring Arm

Enhance your workspace with this **ProFlex** Series laptop mount featuring a fully adjustable gas spring arm for effortless positioning. Designed for flexibility and productivity, it elevates your laptop to eye level, includes built-in USB connectivity, and supports up to 19.8 lbs for a stable, ergonomic setup.

- Gas spring arm enables smooth height, tilt, and swivel
- Raises laptop screen to eye level to reduce neck and shoulder strain
- Includes USB 3.0 and USB-C for convenient charging and connectivity

- Holds laptops from 11.6" to 17.3" up to 19.8 lbs
- Clamp or grommet mounting frees up desk space
- Swap laptop tray for a monitor (up to 49") as your setup evolves
