

MI-12008

Heavy-Duty Monitor and Laptop Mount with Pole & Gas Spring Arms

Maximize productivity with this **ProFlex** Series dual-device mount designed to support a monitor and laptop in one streamlined setup. Featuring full-motion gas spring arms, built-in USB connectivity, and a space-saving design, it delivers ergonomic comfort and flexibility for modern workstations.

- Supports one monitor (up to 49") and one laptop (up to 17.3")
- Gas spring arms allow smooth height, tilt, swivel, and rotation
- Position both screens at eye level for reduced strain and improved workflow

- USB 3.0 and USB-C for convenient charging and connectivity
- Frees up desk space while keeping your setup clean and organized
- Supports up to 44 lbs with durable steel and aluminum build
