

MI-12009

Heavy-Duty Monitor Wall Mount with Gas Spring Arm

Transform your workspace with this **ProFlex Series** wall-mounted monitor arm, supporting displays up to 49" and 44 lbs. By mounting directly to the wall, this arm frees up valuable desk space for a cleaner, more open workstation. The gas spring arm provides smooth height, tilt, swivel, and rotation adjustments for precise ergonomic positioning.

- Wall-mounted, space-saving design
- Gas spring arm for effortless adjustability
- Supports monitors up to 49"

- Supports standard and ultrawide monitors
- Integrated cable management
- Heavy-duty steel and aluminum construction
