

MI-12015

Heavy-Duty Dual Stacking Monitor Mount for Monitors up to 49" Ultrawide

This dual monitor desk mount delivers strength and ergonomic flexibility for professionals who need more screen space. Built from durable aluminum and steel, it supports stacked displays from 24"-49" or side-by-side monitors from 24"-35", up to 44 lbs each. Full tilt, swivel, and rotation allow smooth positioning, while the 31.5" pole provides ample vertical adjustment. A reinforced tilt mechanism prevents sag for a clean, stable, professional setup.

- Dual-screen setup – Mount two monitors in a stacked or side-by-side configuration
- Engineered for strength and stability - For heavy screens up to 49" and 44lbs
- Smooth tilt, swivel, and rotation adjustments

- Two installation options – Fits most desks with both top-clamp and grommet mounting options
- Designed for modern professionals - For gamers, content creators, designers, and multitaskers
