Heavy-Duty Monitor Mount for Monitors up to 49" Ultrawide

This heavy-duty single monitor mount is engineered to support large and ultrawide displays in demanding work and gaming setups. Designed for strength and smooth adjustability, it supports standard and curved monitors from 24" to 49", up to 44 lbs. The gas-spring arm allows effortless ergonomic adjustment, while the top-mounted clamp installs easily from above the desk. A precision tilt mechanism ensures stable, sag-free positioning for a clean, professional setup.

- Engineered for ultrawide displays - Ideal for large and heavy monitors
- Smooth gas spring adjustment – Effortlessly adjust the monitor height
- Top-mounted clamp design – Installs entirely from above the desk for easier setup

- Flexible full-motion movement - Tilt, swivel, rotate
- Streamlined cable management
- Made for power users – Perfect for performance and productivity
