

MI-12018

Heavy-Duty Single Monitor Wall Mount

The MI-12018 Monitor Wall Mount creates a clean, ergonomic, and space-saving workstation for offices, medical facilities, warehouses, retail stores, and more. Designed for standard and ultrawide monitors, it features a smooth gas spring arm with tilt, swivel, rotation, and height adjustment for comfortable viewing. Single-stud or solid wall installation frees up desk space, while cable management keeps cords organized.

- Heavy-duty design holds monitors up to 44 lbs
- Effortless adjustments with gas spring arm
- Supports large and ultrawide monitors up to 49"
- Wall mounted design frees up valuable desk space
- Tilt, swivel, and rotation adjustments
- Integrated cable management
