Heavy-Duty XXL Fixed TV Wall Mount

Our XXL Fixed TV Wall Mount from the Beast Collection is engineered for securely mounting oversized displays in both residential and commercial environments. Designed for maximum strength and simplicity, it delivers rock-solid support while maintaining a low-profile, close-to-the-wall appearance for a clean, modern look. Installer-friendly features help ensure secure mounting, easy alignment, and a polished, professional finish in any space.

- For ultra-large displays, engineered with rock-solid strength for home and commercial use
- Low-profile fixed design for a clean and modern look
- Includes hardware for fast, accurate installation on multiple wall types

- Heavy-duty steel construction delivers confidence
- Securely supports large TVs up to 140" and 275 lbs
- VESA compatible from 300x200 up to 1200x800
