L-Shaped Sit Stand Desk

Add movement to your working day without compromising on valuable desk space with this L-shaped height adjustable desk. Switch between sitting and standing at the simple push of a button to reduce the risk for back pain, improve circulation and feel more energized. The extensive height range between 28.3 and 47.2 inches makes this desk the perfect workspace for everyone.

- Electric sit-stand desk with digital control panels and memory settings
- 2 options for set-up with the corner on the left or right side
- Included accessories: cloth drawer, two hooks and cable management
- Anti-collision feature for added safety
- Dual motor design for smooth and quiet height adjustment
