Large Standing Desk Converter with 47" Desktop

Upgrade any traditional desk into an ergonomic sit-stand workstation with this extra-wide 47" standing desk converter. The spacious platform accommodates multiple monitors or a monitor and laptop, while the gas spring mechanism provides smooth height adjustment from 5.9" to 16.9". An integrated device channel and wide keyboard tray keep your workspace organized and comfortable throughout the day.

- Extra-wide 47" platform converts any desk into a sit-stand workstation
- Gas spring height adjustment from 5.9"-16.9"
- Integrated device channel keeps tablets and smartphones within view
- Wide keyboard tray provides room for a full-size keyboard and mouse
- Modern rounded-edge design complements home and office spaces
