MedHub Mobile Workstation

This mobile medical cart boosts clinical efficiency with a compact, stable design. Featuring a foot-operated height adjustment (32.3"–46.1") for ergonomic seated or standing use and an integrated tech enclosure for power management, it is easily configured with compatible MedHub mounts and storage accessories to create a custom point-of-care workstation.

- Highly configurable with compatible MedHub monitor, laptop and tablet mounts as well as storage accessories
- Smooth foot-pedal height adjustment from 32.3"–46.1"
- Integrated tech enclosure with power strip
- Compact footprint for effortless mobility between patient rooms
- Four large, locking casters for secure and stable positioning
