MedHub Mobile Workstation with Drawers

Designed for hospitals, clinics, and medical offices, this mobile workstation combines ergonomic sit-to-stand functionality with secure storage and organized power management. Foot-pedal height adjustment from 32.3"–46.1", dual locking drawers, a built-in technology enclosure, scanner holder, storage basket, and locking casters support efficient clinical workflows.

- Secure dual drawers with keypad lock for medications and supplies
- Smooth foot-pedal height adjustment from 32.3"–46.1"
- Includes an integrated power strip for centralized power access and cable management
- Four locking casters for controlled mobility and secure positioning during use
- Scanner holder and storage basket keep essentials organized
