Counterbalance Laptop Arm for Wall and Pole Mounting

Use this spring-assisted laptop arm to create a sleek floating workstation. Effortlessly raise or lower your laptop to your desired position to ensure optimal comfort and productivity. With the flexibility to choose between mounting the arm to the wall or an existing pole, you can customize your workspace to fit your needs.

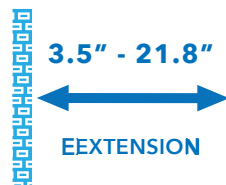

- Effortless height, extension and tilt adjustments thanks to built-in mechanical spring
- 180° swivel for convenient screen sharing
- Can be mounted to a wall or an existing pole
