

MI-1768

Vertical Dual Monitor Mount

The MI-1768 Vertical Dual Monitor Stand stacks your screens to free up valuable desk space. Each monitor can be independently positioned along the 35" center pole, with full tilt, swivel, and 360° rotation for portrait or landscape viewing. With flexible adjustments for both screens, you can create a more ergonomic and efficient workspace tailored to your needs.

- Holds screens from 13" - 32"
- Integrated cable management
- C-Clamp and grommet base adapts to a variety of desks

- Weight Capacity: 17.6 lbs. per monitor
- Height Adjustment: 16.5" per Monitor
- VESA Compatibility: 75mm x 75mm & 100mm x 100mm
- +/-45° tilt and +/-45° swivel
