Monitor Wall Mount with Gas Spring

Create a cleaner, more ergonomic workspace while freeing up valuable desk space. This single monitor wall mount features a smooth gas spring arm for effortless height adjustment and full-motion positioning. Designed for monitors from 17" to 32" and weighing up to 22 lbs, it is ideal for offices, workstations, kiosks, compact desks, and shared environments.

- Gas spring arm provides up to 10" of easy vertical adjustment
- Tilt, swivel, and rotate your screen for comfortable viewing and flexible workflows
- Arm extends up to 19.7" from the wall for greater positioning flexibility.

- 360° screen rotation makes it easy to switch display orientation
- Supports most 17" to 32" monitors weighing up to 22 lbs
- Supports 75x75 mm and 100x100 mm VESA mounting patterns.
