MOUNT-IT!

MI-2829

Single Stud Tilt and Swivel TV Wall Mount

Raise up your TV or computer monitor and mount it on the wall for a more comfortable viewing experience, and free up table and desk space with this attractive and affordable mount. It's constructed from solid steel for durability, and the low profile design offers a clean, modern appearance. Adjustable tilt helps reduce glare while the swivel function allows a wider viewing angle. Single stud installation lets you mount your screen almost anywhere in the room.

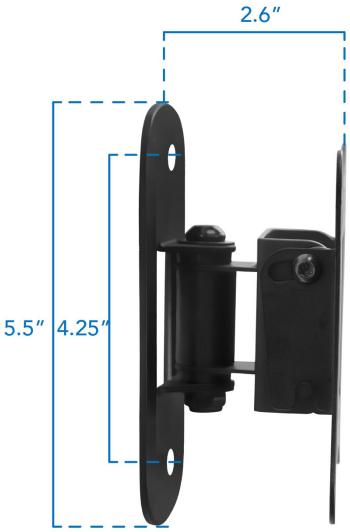

- Easy single stud installation
- Fits Screen Sizes up to 32"
- VESA 75x75mm, 100x100m
