

MI-412

Heavy-Duty Advanced Tilt TV Wall Mount

Our Heavy-Duty Advanced Tilt TV Wall Mount is built for homeowners, businesses, and installers seeking a reliable, flexible solution for mounting large flat-screen TVs. Ideal for living rooms, bedrooms, conference rooms, and public spaces, it extends from the wall to provide greater tilt flexibility and easier cable access.

- Extends outward to allow a wider tilt range than standard tilt mounts
- The extension provides convenient cable access behind the screen
- Built-in locking feature (padlock required)

- Sliding wall plate helps you center your TV
- Heavy-duty steel construction supports medium to large TVs up to 90" and 176lbs
- VESA compatible from 200x200 up to 600x400
