Heavy-Duty XL Advanced Tilt TV Wall Mount

Our Heavy-Duty XL Advanced Tilt TV Wall Mount is engineered for today's largest flat-screen TVs in both residential and commercial spaces. Designed for strength and flexibility, it extends from the wall to allow better tilt adjustment, easier cable access, and a cleaner installation. Installer-friendly details help ensure secure mounting and a polished, professional finish in any setting.

- Extends outward to allow a wider tilt range than standard tilt mounts
- The extension provides convenient cable access behind the screen
- Built-in locking feature (padlock required)

- Sliding wall plate helps you center your TV
- Heavy-duty steel construction supports medium to large TVs up to 105" and 176lbs
- VESA compatible from 200x200 up to 1000x600
