TV Wall Mount Bracket with Full Motion Articulating Arm

This wall mount features three swivel points on its articulating arm for a full range of motion to adapt and fit into any environment. Retracts down to 3.4" from the wall and can extend up to 18" inches from the wall. Easily swing, tilt, swivel and rotate your TV with this heavy-duty mounting bracket.

- Single stud base and integrated bubble level for easy installation
- Solid steel construction with a weight capacity of 44 lbs

A BETTER VIEWING EXPERIENCE. Adjust the tilt, swing, swivel and extension for better viewing.

EASY INSTALLATION. Get back to watching in no time.

DESIGN. Low profile, simple design for a clean and modern look.
