

MI-4225XL

Flip-Down Ceiling TV Mount

Maximize space and flexibility with this folding ceiling TV mount designed challenging spaces where traditional wall mounting isn't an option. Compatible with 24" to 55" screens and supporting up to 44 lbs, it features full-motion adjustability with tilt, swivel, and height adjustments for the perfect viewing angle. The flip-down design allows you to stow your TV flat against the ceiling when not in use—ideal for home gyms, offices, or bedrooms.

- Tilt, swivel, and height adjustments let you dial in the perfect viewing angle
- Fits TVs and monitors from 24" to 55"
- Supports up to 44 lbs

- Compatible with 75x75 to 400x400 VESA patterns
- Easy installation on flat or slanted ceilings
- Detachable VESA plate and adjustable pole simplify setup and positioning
