

MOUNT-IT!

MI-444BLK

Full Motion TV Wall Mount with Gas Spring Arm

Elevate your entertainment space by mounting your TV on the wall and enhance your viewing experience with effortless full-motion movement. The gas-spring height adjustment feature allows you to find the perfect position with ease, and the easy, flexible single stud installation saves time and effort.

- Perfect TV positioning with swivel ($\pm 90^\circ$), tilt ($+5^\circ$ to -15°), and extension (up to 18.3")
- Ideal for small to medium displays from 23" to 55" and up to 50.6lbs, including curved screens
- Easy and flexible installation on a single wood stud or solid wall
