

MI-4762

Dual Monitor Desk Mount

Designed for screens up to 32", this dual monitor desk mount helps organize your workspace and creates a more ergonomic setup. It features gas spring arms for smooth height adjustment, full motion tilt, swivel, and rotation, along with clamp or grommet installation options—all with integrated cable management for a clean, clutter-free workspace.

- Fits monitors from 17" to 32"
- Supports up to 17.6 lbs per arm
- Full motion adjustability: Tilt, swivel, rotation, and height adjustment

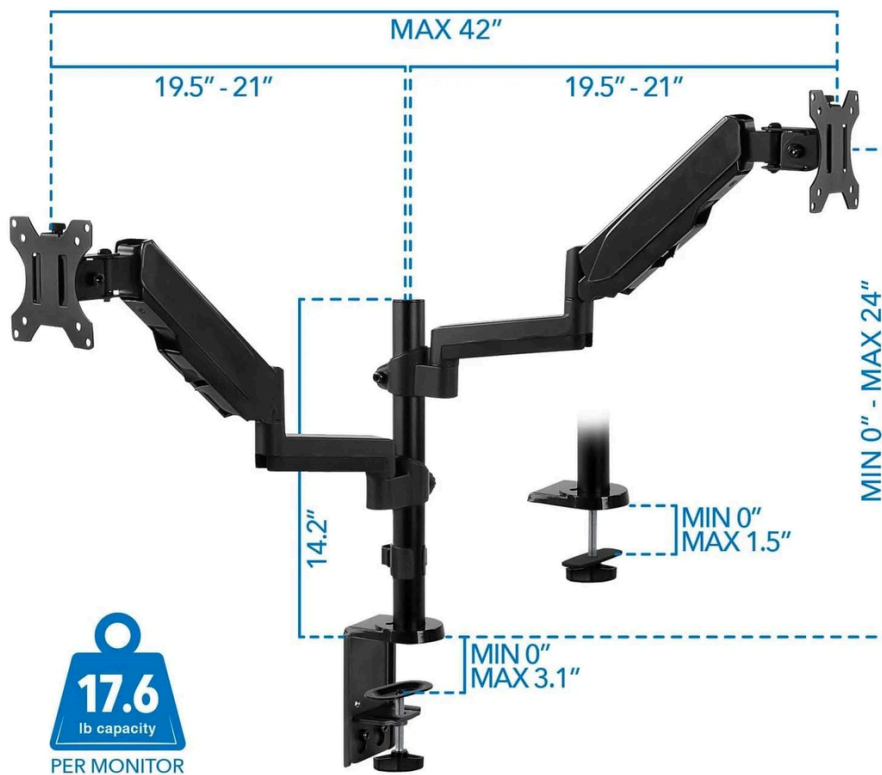

- Smooth gas spring arms allow effortless, independent monitor positioning
- Dual installation options: Desk clamp or grommet mount included
- Integrated cable management: Keeps your workspace clean and clutter-free
