Height Adjustable Universal Ceiling Projector Mount (Long)

A versatile and sturdy projector mount that fits the majority of the projector models in the market. Made with high grade steel, this ensures that your projector is held safely and firmly without rocking and moving.

- Tilt, rotate and roll your projector for an enhanced viewing experience.
- Height is adjustable for various installation requirements.
- Fully adjustable arms to fit a wide variety of projectors.
- Supports up to 30 lbs.

GREAT FLEXIBILITY. Perfect for flat or vaulted ceiling.

HEAVY-DUTY. Rugged design made to withstand heavy use.

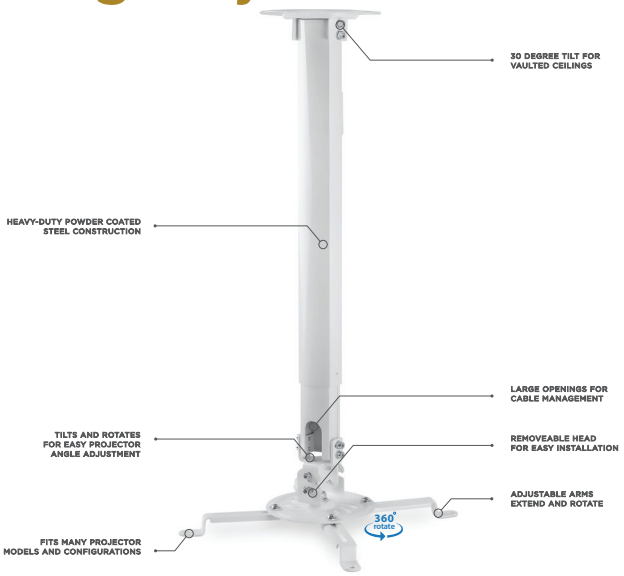

PREMIUM QUALITY. Built to last.
