Universal Ceiling Projector Mount

A versatile and sturdy projector mount that fits the majority of the projector models in the market. Made with high grade steel, this ensures that your projector is held safely and firmly without rocking and moving.

- Offers multidirectional positioning for an enhanced viewing experience.
- Fully adjustable arms to fit a wide variety of projectors.
- Quick release connector allows easy installation.
- Supports up to 30 lbs.

GREAT FLEXIBILITY. Fits most projectors with ease.

HEAVY-DUTY. Rugged design made to withstand heavy use.

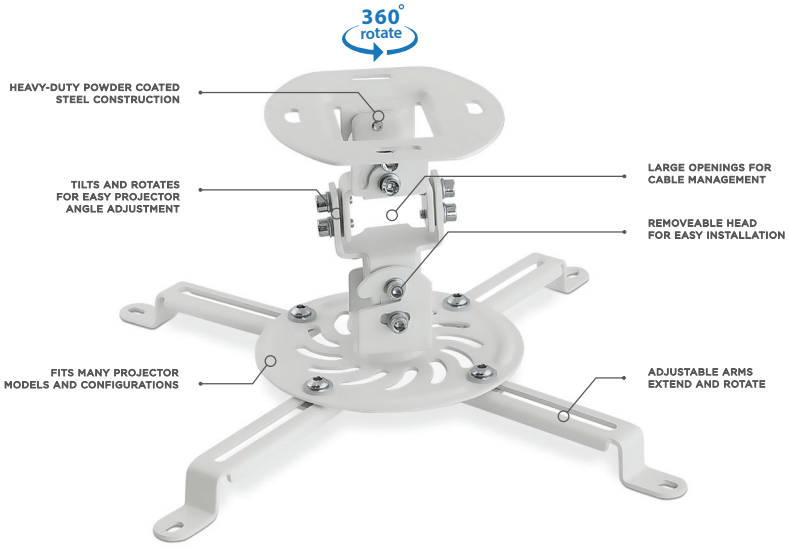

PREMIUM QUALITY. Built to last.
