

MOUNT-IT!

MI-612

Dual Use Projector Stand

This freestanding projector stand with weighted, compact base is great for home entertainment and presentations alike. Two configuration options allow you to choose between using the 1/4-inch screw or the platform to set up your projector. Enjoy your mini projector without having to mount it on the wall or ceiling!

- Stepless height adjustment between 27.9" and 47.9"
- Rotate 360°, swivel 15° and tilt -90°/+15°
- Recommended for mini and small footprint projectors
- Extra tray to store remote control
