

MI-6524

Low Profile Tilting TV Wall Mount

A simple, yet effective TV wall mount designed to safely hold your small TV or monitor while taking up minimal space. It features a tilting motion to create a better viewing experience by angling your TV downward. The slim 1.65" profile provides a sleek look that complements your TV and living space nicely.

- Low-profile design hangs your TV only 1.65" from the wall
- Tilting motion allows you to reduce glare
- Easy installation on a single stud or solid wall

- Compatible Screen Size: 24" to 32" and holds up to 30lbs
- Tilt: 15° down & 5° up
- VESA 75x75mm, 100x100mm
