

MI-6762BLK

Dual Monitor Mount with Stackable Gas Spring Arms

The Dual Monitor Stackable Desk Mount creates a clean, ergonomic, and flexible workstation for home offices, professional workspaces, gaming setups, and more. Designed for two 17" to 32" monitors up to 22 lbs each, it supports side-by-side or stacked configurations with independent tilt, swivel, rotation, and height adjustment for comfortable viewing. Desk clamp or grommet mounting frees up valuable desktop space while keeping both monitors secure and easy to position.

- Arrange monitors side by side or stacked
- Tilt, swivel, and rotate for comfortable viewing
- Supports two 17" - 32" monitors up to 22 lbs each
- Independent arms allow flexible screen positioning
- Desk clamp and grommet mounting options included
- Frees up desk space for a cleaner workstation
