Cable Management Spine

GIVE YOUR WORK AREA A NEAT APPEARANCE WHILE SAFEGUARDING YOU FROM POTENTIAL TRIP HAZARDS

Conceal and organize unsightly cables in and around your desk with Mount-It! Cable Management Spine. Built with ergonomics and versatility in mind, it features detachable segments that snap together, allowing you to adjust the length to suit your needs. It even extends or contracts when using a height adjustable desk. The 4 way channel entry system on each block enables cord segregation when required. Streamline your cables and help prevent tripping hazards with this cable manager.

BEFORE

AFTER

GREAT ORGANIZATION. Organize and clean up the appearance of cables.

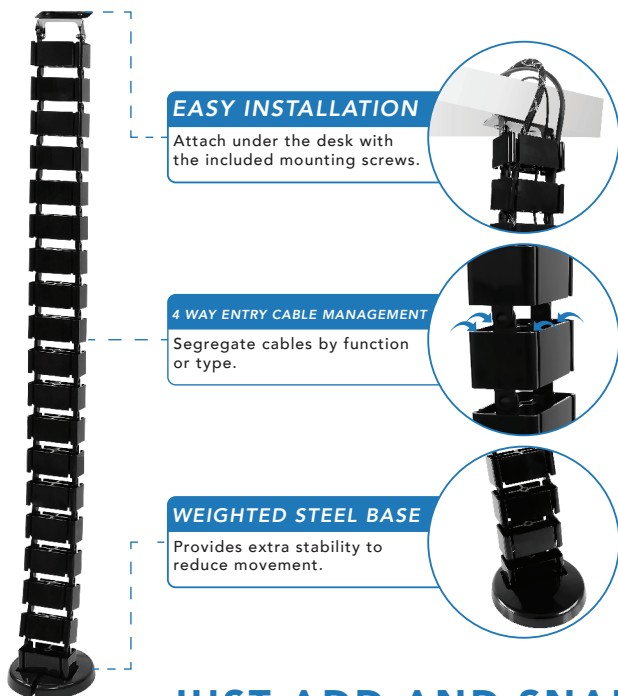

VERSATILE. Can be used with different desk heights.

EASY INSTALLATION. Modular pieces easily snap together or can be removed.
