Compact Standing Desk Converter

Alternating your position between sitting and standing while working on your computer or laptop has been proven to have a positive impact on your overall health and productivity. This compact yet sturdy standing desk converter transforms your traditional desk or table into an active workstation. The integrated gas spring mechanism allows you to adjust the height of the desktop smoothly and effortlessly between 5" and 16". In the lowest position, the keyboard tray sits flush on the desk.

- Effortless gas spring height adjustment
- Dual platform design for laptop/monitor and keyboard/mouse
- Bonus device slot for smartphone or tablet
