Laptop Cart with Pull-Out Keyboard Tray

This height adjustable rolling laptop desk with keyboard tray is the perfect mobile workstation for offices, classrooms, and healthcare environments alike. Its clean white finish complements any space, while smooth-rolling caster wheels make it effortless to move between rooms or work areas. With an adjustable height range from 30" to 44.6", this sit-stand desk lets you switch between sitting and standing positions using a convenient foot pedal, promoting better posture and comfort.

- Transition between sitting and standing with the convenient foot pedal height adjustment
- Ergonomic keyboard tray with sliding mousepad
- Supports up to 17.6 lbs for laptops, paperwork, and daily essentials

- 23.6" x 20.5" desktop offers generous room for laptops, notebooks, and accessories
- Heavy-duty steel frame ensures lasting durability and stability
- Smooth-rolling casters with two locking wheels
