Extra Wide Sit-Stand Desk Converter with Dual Monitor Mount

Alternating your position between sitting and standing while working has been proven to have a positive impact on your overall health and productivity. The extra-large top platform is suitable to hold two screens side by side and with the included dual monitor mount you can position your screens at your preferred height and angle. The integrated gas spring mechanism allows you to adjust the height of the desktop effortlessly between 5.9" - 19.3"

- Effortless gas spring height adjustment
- Included dual monitor mount
- Dual platform design for laptop/monitor and keyboard/mouse
- Bonus device slot for smartphone or tablet
