Electric Sit-Stand Desk Converter with Dual Monitor Mount

Add movement to your working day by converting your traditional desk or table into a dynamic sit-stand desk instantly at the push of a button. The extra-large top platform is suitable to hold two screens side by side and with the included dual monitor mount you can position your screens at your preferred height and angle. The powerful and quiet motor allows you to easily adjust the workstation to your preferred height between 6.3" and 19.3"

- Electric height adjustment
- Integrated USB port
- Included dual monitor mount
- Dual platform design for laptop/monitor and keyboard/mouse
