Heavy Duty Tripod TV Stand

An ideal choice for diverse settings, ranging from trade shows to tailgate parties, this TV tripod stand offers ease of setup and dismantling for effortless transport. With a telescoping pole enabling adjustable height, and tilt functionality of up to 8 degrees to minimize glare, it ensures a clear and enjoyable display experience in both indoor and outdoor environments.

- Fits screens from 37" to 70" and up to 77 lbs
- Solid steel construction with rubberized, non-slip feet
- Easy to set up, collapse, and transport
