

MI-890

Heavy-Duty Height Adjustable TV Cart

Designed for professional environments, this mobile TV cart features a hand-crank height adjustment system for effortless screen positioning and lockable casters for smooth mobility and secure placement. An integrated media shelf keeps equipment organized, making it ideal for conference rooms, classrooms, healthcare facilities, training spaces, and digital signage applications.

- Supports 55"–90" displays up to 198 lbs with a reinforced steel frame
- Hand-crank height adjustment provides smooth, tool-free positioning
- Lockable casters enable easy mobility and secure placement

- Integrated shelf stores small AV equipment and accessories
- Constructed from high-strength steel with a modern graphite finish
- Ideal for offices, classrooms, and healthcare environments
