Foldable Hand Truck Dolly

This hand truck combines both a durable build and a folding design, making it easier for portability and storage. The durable construction allows it to carry up to 330 lbs and features 6 caster wheels with 360° swivel for easier mobility in a variety of spaces. The hardended rubber wheels make for a smooth roll. Carry more at once with this heavy-duty hand cart dolly and save your back from over-exertion.

- Expandable base to carry larger loads
- Compact and lightweight for easy storage and use
- Telescoping handle for ease of use
- High weight capacity
- Multiple rotating wheels for easy movement
- Comes with bungee cords to secure the load
