EN Read the entire instruction manual before you start installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact Mount-It! for assistance.

CAUTION: Use with products heavier than the rated weights indicated may result in instability causing possible injury.

• Please closely follow the assembly instructions. Improper installation may result in damage or serious personal injury.

- Safety gear and proper tools must be used. This product should only be installed by professionals.
- This product is designed to be installed on solid concrete walls, masonry walls or wood stud walls.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Use the mounting screws provided and **DO NOT OVER TIGHTEN** the screws.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

IMPORTANT: Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, contact Mount-It! for a replacement.

MAINTENANCE: Check that the product is secure and safe to use at regular intervals (at least every three months).

DE Lesen Sie die gesamte Bedienungsanleitung, bevor Sie mit der Installation und Montage beginnen. Wenn Sie Fragen zur Anleitung oder Warnungen haben, wenden Sie sich bitte an Ihren örtlichen Händler.

VORSICHT: Die Verwendung mit Produkten, die schwerer als die angegebenen Nennengewichte sind, kann zu Instabilität führen und zu möglichen Verletzungen führen. Bitte befolgen Sie die Montageanleitung genau. Eine unsachgemäße Installation kann zu Schäden oder schweren Verletzungen führen.

Sicherheitshinweise und geeignete Werkzeuge müssen verwendet werden. Dieses Produkt sollte nur von Fachleuten installiert werden.

Dieses Produkt ist auf massiven Betonwänden oder Mauerwerkswänden zu montieren.

Stellen Sie sicher, dass die Auflagefläche das Gesamtgewicht des Geräts und aller angeschlossenen Hardware und Komponenten sicher trägt.

Verwenden Sie die richtigen Werkzeuge und Schrauben. Verwenden Sie keine Schrauben, die größer als 1/4 Zoll (6 mm) sind. Verwenden Sie keine Schrauben, die länger als 1 1/2 Zoll (38 mm) sind.

Dieses Produkt enthält Kleinteile, die beim Versuchen eine Erstreckungsfeder darstellen können. Halten Sie diese Gegenstände von Kindern fern.

Dieses Produkt ist nur für den Innenbereich bestimmt. Die Verwendung dieses Produkts im Freien kann zu Produktversagen und Verletzungen führen.

WICHTIG: Stellen Sie vor der Installation sicher, dass Sie alle Teile gemäß der Komponenten-Checkliste erhalten haben. Bei beschädigten oder fehlenden Teilen, wenden Sie sich an Ihren Verkäufer, um Ersatz zu erhalten.

WARTUNG: Überprüfen Sie das Produkt in regelmäßigen Abständen auf Sicherheit und Stabilität (am besten alle drei Monate).

FR Lisez entièrement le guide d'utilisateur avant de commencer l'installation et le montage. Si vous avez des questions concernant les instructions ou les avertissements, veuillez contacter votre distributeur local pour une assistance.

ATTENTION: L'utilisation de produits plus lourds que les poids nominaux indiqués peut entraîner une instabilité causant des blessures potentielles.

Les supports doivent être joints comme spécifié dans les instructions de montage. Une mauvaise installation peut entraîner des dommages ou de graves blessures aux personnes.

- Un équipement de sécurité et les outils appropriés doivent être utilisés. Ce produit devrait être installé uniquement par des professionnels.
- Ce produit est conçu pour être installé sur des murs avec poteaux en bois, des murs en béton massif ou murs en brique.
- Assurez-vous que la surface de soutien supporte en sécurité le poids combiné de l'équipement et de tous les matériaux et composants associés.
- Utilisez les vis de montage fournies et NE SERREZ PAS TROP les vis de montage.
- Ce produit contient des pièces qui peuvent causer une blessure si elles sont aversées. Éloignez ces pièces des enfants.
- Ce produit est prévu uniquement pour une utilisation à l'intérieur. L'utilisation de ce produit à l'extérieur peut entraîner une défaillance du produit ou des blessures aux personnes.

IMPORTANT: Avant l'installation, assurez-vous de vous avoir reçu toutes les pièces selon la liste de vérification des composants. Si une pièce est manquante ou endommagée, téléphonez à votre distributeur local pour qu'il la remplace.

MANTENANCE: À intervalles réguliers (au moins tous les trois mois) vérifiez que le support est toujours d'utilisation sûre et fiable.

РУ Перед началом установки и сборки требуется руководство по установке. Если Вы возникли какие-либо вопросы относительно инструкции или предупреждений, свяжитесь с Вашим локальным дистрибутором для получения помощи.

Внимание: Использование продуктов, вес которых превышает указанный расчетный вес, может привести к неустойчивости и возможным травмам.

- Опоры должны быть установлены, как это показано в указанных инструкциях. Неправильная установка может привести к получению серьезных травм.
- Любое использование или модификация оборудования и связанных с ним принадлежностей, Продукт должен использоваться только профессионалами.
- Продукт предназначен для установки на деревянные каркасные стены, твердые цементные стены или кирпичные стены.
- Убедитесь, что несущая поверхность выдержит вес всего установленного оборудования и комплектующих.
- Необходимо использовать монтажные винты, входящие в комплект поставки, и НЕ ПЕРЕГРУЖАТЬ монтажные винты.
- Данный продукт содержит движущиеся детали, которые могут повредить при неправильном обращении.
- Данный продукт предназначен только для эксплуатации в помещениях. Использование данного продукта на улице может привести к поломке продукта и получению травм.

ВАЖНО: Перед установкой убедитесь, что Вы получили все детали в соответствии со списком комплектующих. Если не хватает каких-либо деталей или они поломаны, свяжитесь с Вашим локальным дистрибутором для получения помощи.

ТЕХНИЧЕСКОЕ ОБСЛУЖИВАНИЕ: Необходимо регулярно проверять (ка минимум раз в три месяца), чтобы крепления были зафиксированы, и его использование было безопасным.

ES Lea todo el manual de instrucciones antes de comenzar la instalación y ensamblaje de la unidad. Si tiene alguna inquietud con respecto a las instrucciones o advertencias, comuníquese con su distribuidor local.

PRECAUCIÓN: Utilizar con productos de mayor peso al indicado en los límites de peso podría ocasionar inestabilidad y posibles heridas personales.

- Los soportes deben acoplarse tal como se indica en las instrucciones de ensamblaje. Una incorrecta instalación podría ocasionar fallas y serias heridas personales.
- Utilice las herramientas y equipo de seguridad adecuados. Este producto solo debe ser instalado por profesionales.
- Este producto está diseñado para instalaciones en paredes de madera sólida, concreto sólido o bloques.
- Asegúrese de que la superficie de fijación soportada de manera segura el peso total del equipo y todos sus componentes y hardware.
- No exceda los límites de ensamblaje de los tornillos y NO aplique demasiada tensión a los tornillos.
- Este producto contiene piezas pequeñas que representan un riesgo de asfixia. Mantenga estas piezas fuera del alcance de los niños.
- Este producto está diseñado para usar en interiores solamente. Utilizar este producto en exteriores podría ocasionar fallas y heridas personales.

IMPORTANTE: Asegúrese de que haya recibido todas las piezas según la lista para verificación de componentes para la instalación. Si falta alguna de las partes, o está dañada, comuníquese con su distribuidor.

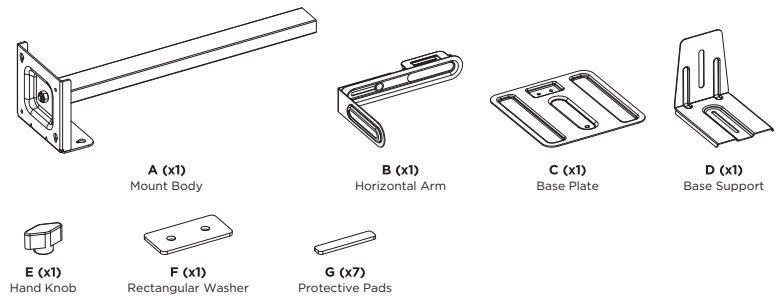

MANTENIMIENTO: Compruebe periódicamente que el soporte está asegurado y listo para usar (al menos cada tres meses).

ATENÇÃO: O uso de produtos mais pesados do que os pesos indicados pode resultar em instabilidade, causando possíveis danos. Leia todo o manual de instruções antes de iniciar a instalação e montagem. Se você tiver alguma dúvida sobre quaisquer uma das instruções ou avisos, por favor, entre em contato com o seu distribuidor local para assistência.

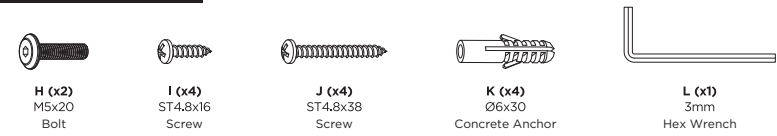

- Equipamentos de segurança e ferramentas adequadas devem ser utilizadas. Este produto só deve ser instalado por profissionais.
- Este produto é projetado para ser instalado em placas verticais de paredes de madeira, paredes de concreto sólido ou de tijolos.
- Certifique-se que a superfície de suporte suportará com segurança o peso combinado do equipamento e todas as ferragens e componentes anexados.
- Os parafusos de montagem fornecidos NÃO ABRETEM EXCESSIVAMENTE as peças ou os mesmos.
- Este produto contém pequenas peças que podem causar asfixia se ingeridas. Mantenha estas longe da alcance de crianças.
- Este produto destina-se somente para uso interno. Use-o em ambiente externo pode causar falhas no produto e lesões pessoais.

IMPORTANTE: Assim que você recebeu todas as peças, de acordo com a lista de componentes, antes da instalação. Se alguma peça estiver faltando ou se defeituosa, contate o seu distribuidor local para substituição.

MANUTENÇÃO: Certifique-se que o suporte seja seguro e protegido para o uso em intervalos regulares (pelo menos a cada três meses).

Mounting Hardware

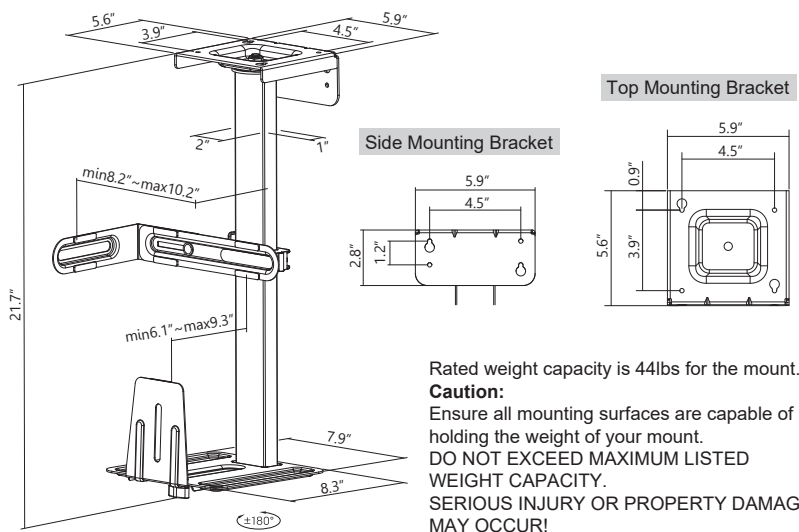

Check carefully to make sure there are no missing or defective parts. Some hardware provided may not be used. Use the correct mounting hardware suitable for your installation.

CHOKING HAZARD. Package includes small parts.
Not for children under 3 years. Adult supervision is required.

Missing Parts? Call us at (855) 925-5668 and we will ship replacement parts free of charge.

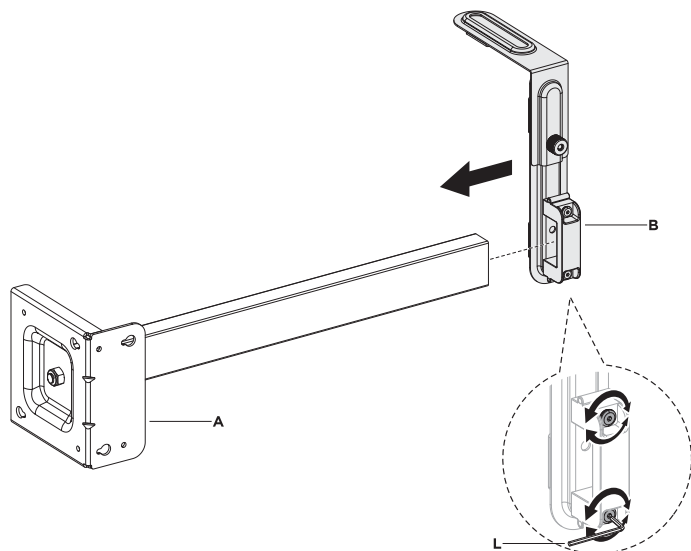

DIMENSIONS & WEIGHT CAPACITY

Step 1

Attach the Horizontal Arm

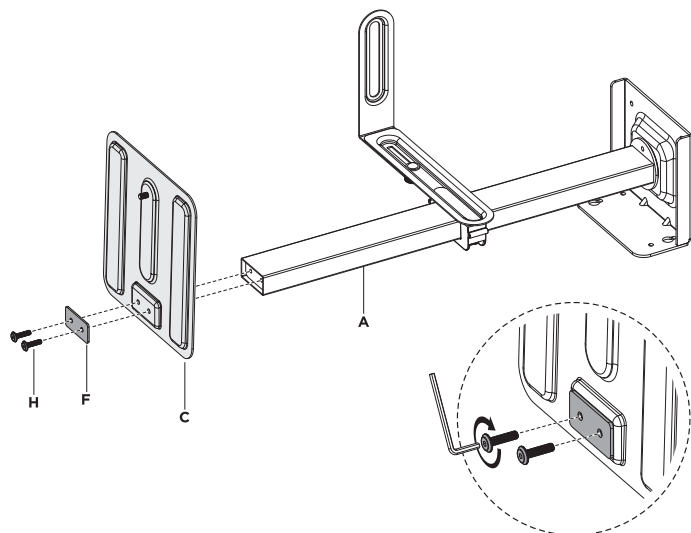

- Slide the Horizontal Arm (#B) onto the Mount Body (#A) in the orientation shown so that the adjustment bolts face the same direction as the flap on the top of the Mount Body. Slide the Arm halfway up the mount and tighten the two bolts down in the magnification bubble using Hex Wrench (#L).

Step 2

Attach the Base Plate

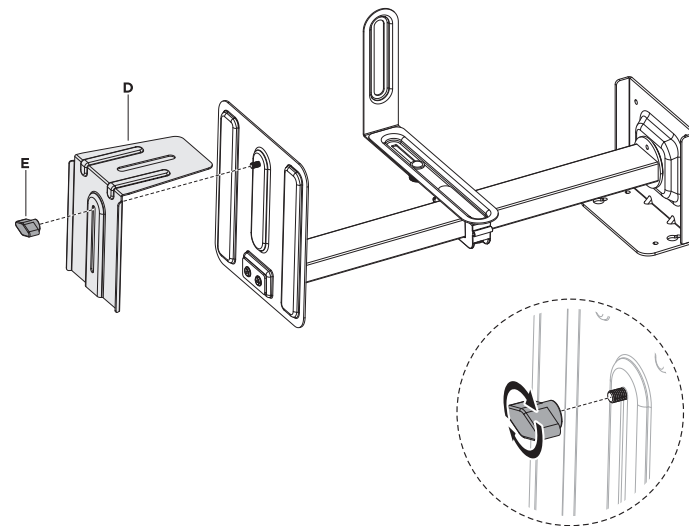

- Attach the Base Plate (#C) to the end of the Mount Body (#A) in the orientation shown using Screws (#H), Rectangular Washer (#F) and Base Place (#C) in that order.

Step 3

Attach the Base Support

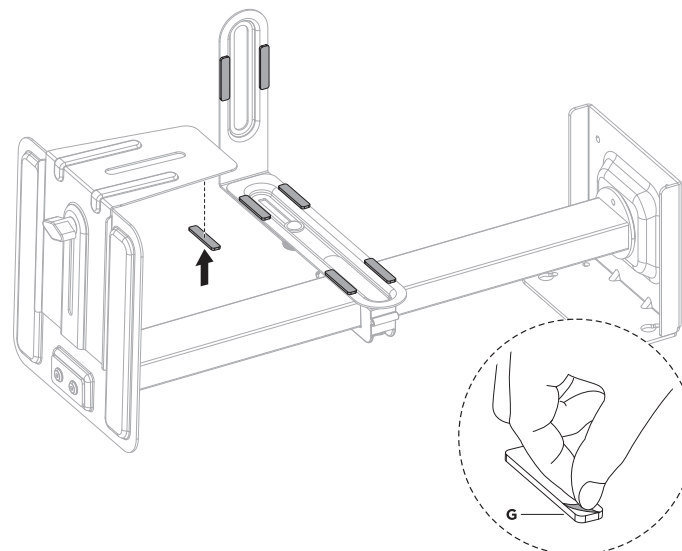

- In the orientation shown here, place the Base Support (#D) over the exposed bolt head on the bottom of the Base Plate so that the bolt sticks out through the long slot. Secure it in place by tightening the Hand Knob (#E) over the exposed end of the bolt.

Step 4

Install the Protective Pads

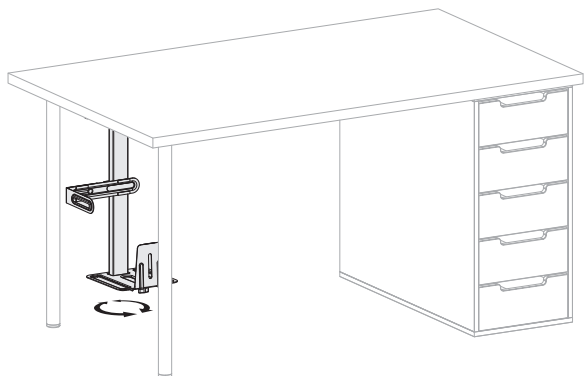

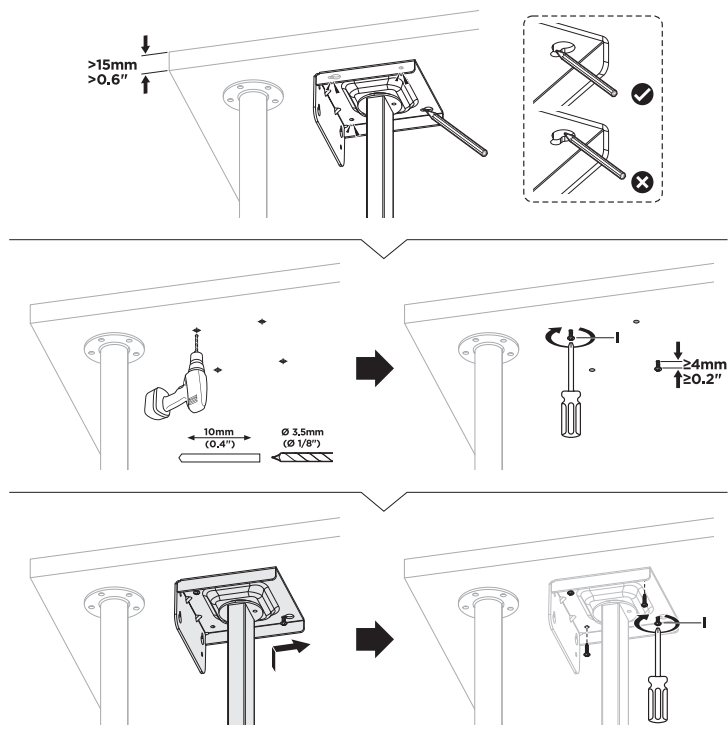

- Apply the Protective Pads (#G) as shown by peeling off the adhesive cover and sticking 6 to the Horizontal Arm and 1 to the top inside edge of the Base Support.

Step 5a

Attach the Mount

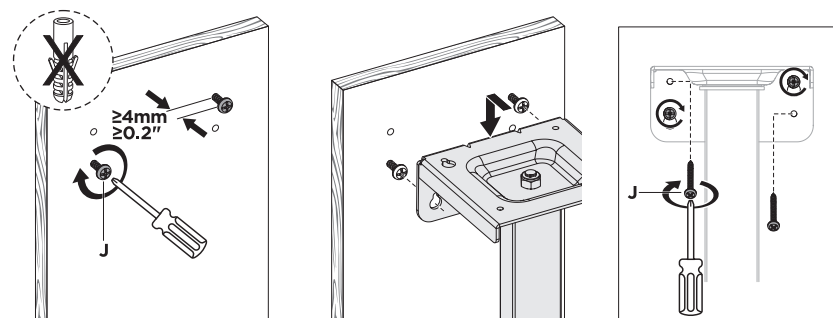

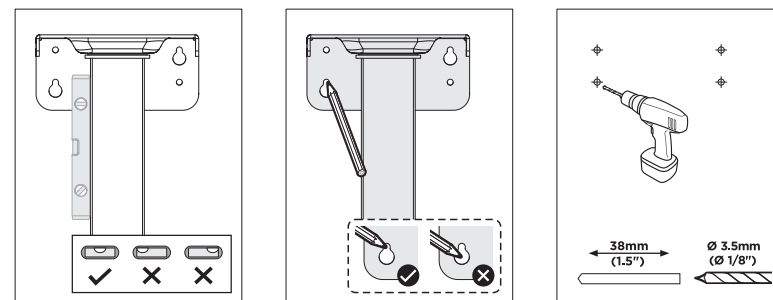

- Required Desk Thickness 0.6" (15mm) minimum
- Hold the Mount underneath the desk in the desired location. Ensure adequate depth from the edges of the desk to accommodate the dimensions of your PC case. Using a pencil mark the center of all 4 screw holes making sure to mark the smaller end of the 2 keyhole shaped screw slots as shown here. Remove the desk mount and drill holes in the marked locations using a 1/8" (3mm) drill bit to a depth of 0.4" (10mm).
- Partially install the 2 Screws (#I) that correspond to the keyhole slots, which will be on opposite corners. Leave a gap of approximately 0.2" (4mm) between the desk and the bottom of the screw head. Place the mount over the two screws and slide the mount so that the screws are resting in the smaller end of the keyhole slots.

Step 5b

Optional Installation Method: Solid Wood Wall/Desk

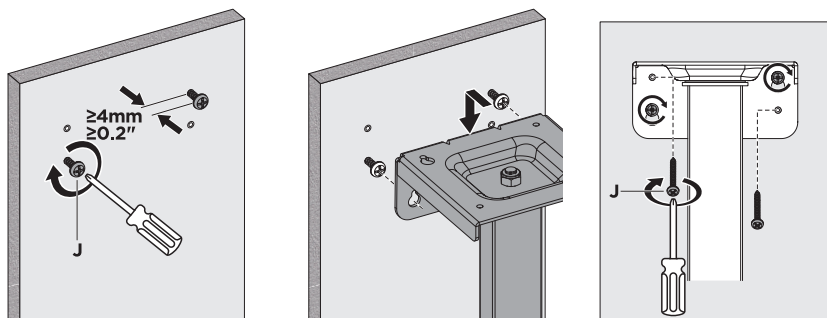

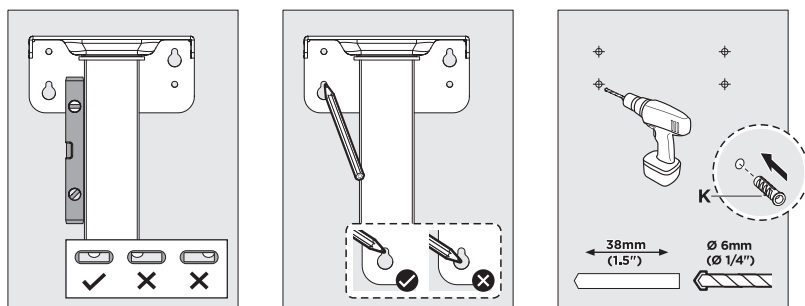

- Hold the Mount against the solid wood surface in the desired location and use a bubble level to check straightness. Using a pencil mark the center of all 4 screw holes making sure to mark the smaller end of the 2 keyhole shaped screw slots as shown here. Remove the mount and drill holes in the marked locations using a 1/8" (3mm) drill bit to a depth of 1.5" (38mm).
- Partially install the 2 Screws (#J) that correspond to the keyhole slots, which will be on opposite corners. Leave a gap of approximately 0.2" (4mm) between the wall and the bottom of the screw head. Place the mount over the two screws and slide the mount down so that the screws are resting in the smaller end of the keyhole slots.
- Install the remaining 2 screws and tighten all 4 down until secure.

Step 5c

Optional Installation Method: Stone/Concrete Wall

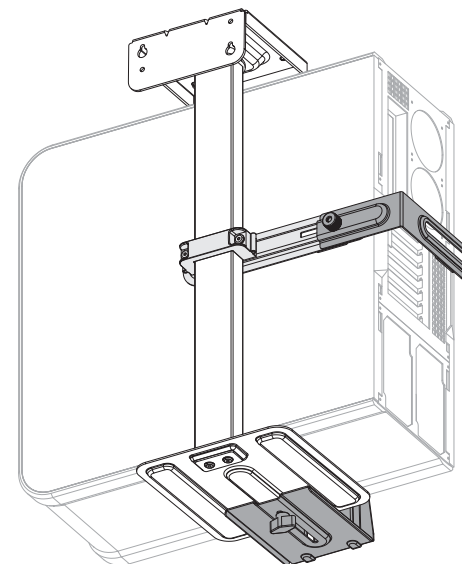

- Hold the Mount against the concrete surface in the desired location and use a bubble level to check straightness. Using a pencil mark the center of all 4 screw holes making sure to mark the smaller end of the 2 keyhole shaped screw slots as shown here. Remove the mount and drill holes in the marked locations using a 1/4" (6mm) drill bit to a depth of 1.5" (38mm). Insert Concrete Anchors (#K) into the holes.
- Partially install the 2 Screws (#J) that correspond to the keyhole slots, which will be on opposite corners. Leave a gap of approximately 0.2" (4mm) between the wall and the bottom of the screw head. Place the mount over the two screws and slide the mount down so that the screws are resting in the smaller end of the keyhole slots.
- Install the remaining 2 screws and tighten all 4 down until secure.

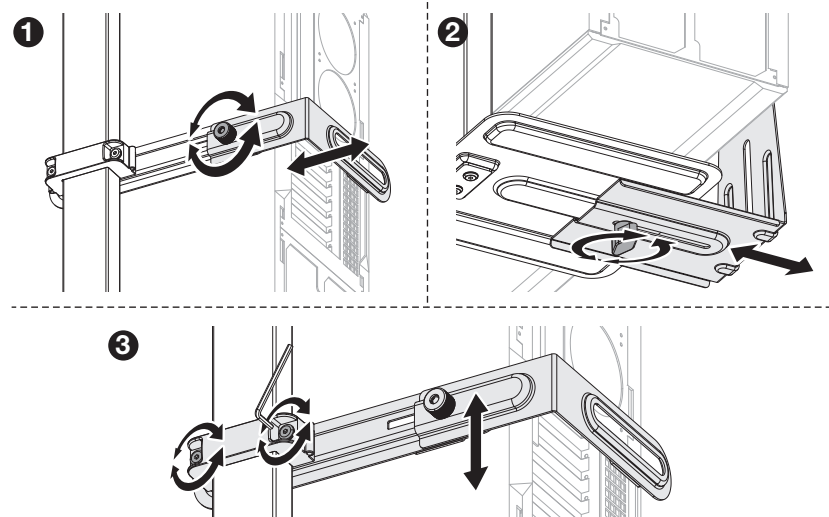

Step 6

Insert the PC

- Loosen the bolts shown here to open the upper and lower arms until they are wider than the width of your PC case. Adjust the height of the upper arm so that it is positioned in the middle of the PC. Insert the PC and slide the arms back in until snug against the side of the case, then tighten the bolts back in place.

1. Loosen the bolt on the horizontal arm to adjust the length of the arm.
2. Loosen the knob on the bottom of the mount to adjust the width of the base.
3. Loosen the 2 bolts on the horizontal arm to change the height of the arm. It should be placed at the approximate middle of the height of your CPU case.
